**Europe A:** Member states of the European Union, for some of the Islands we have to charge €15,- additionally.

**Europe B:** Non-EU countries like Switzerland, Liechtenstein, Serbia, Norway etc.

**Non European countries:** please do not hesitate to contact us

- (1) These shipment costs will be charged only once, when the interlaboratory comparison samples for major ions and metals can be sent together in one parcel.
- (2) The higher price refers to round M142 with additional parameters.
- (3) In round CB05 the extent of participation is selectable (VOC, BTEX&MTBE or both). Evaluation of the round will be carried out in a joint report.

- (4) The listed sample volumes are available. Shipment costs are higher for 4 \* 1 L.
- (5) The listed sample volumes are available. Shipment costs are higher for 4 \* 1 L + 2 \* 1 L.
- (6) 24 hours delivery service is necessary for these samples.
- (7) In round SP03 the extent of participation is selectable (hydrocarbon oil index and phenol index or hydrocarbon oil index only; selection of phenol index only is not possible).  
Evaluation of SP03 will be carried out in a joint report.

Please note that your data will be passed on to Umweltbundesamt GmbH (Environment Agency Austria) when you register for an interlaboratory comparison with natural samples.

#### **Invoice:**

After registration (online at [www.imatest.eu](http://www.imatest.eu) or by Fax) you will get a confirmation e-mail specifying all your relevant data incl. sample dispatch and treatment dates and the costs for participating in the PT rounds.

For each order a collective invoice will be prepared which can also be sent to you by e-mail upon request (e-invoicing). Participation in the PT rounds is only possible after payment of the invoice amount has been received. You can contact us if you wish to receive individual (partial) invoices for the PT rounds. If you have any questions about this, please do not hesitate to contact Ms Marianne Trauner, Tel.: +43(0)1 47654 97003; e-mail: [marianne.trauner@boku.ac.at](mailto:marianne.trauner@boku.ac.at)

#### **Evaluation:**

Participants will receive a written confirmation of participation where the z-scores criteria (s), the achieved z scores and the recoveries are set out in tabular form.

All reports will be made available as pdf files on [www.imatest.eu](http://www.imatest.eu) from where they can be downloaded and printed.
